

Dear FPC family and friends,

So at last week's congregational meeting I completely forgot that I normally present to you my State of the Church address. No excuses, so what if we had 3,456 inches of snow between now and then. Please find below what I presented at the officer retreat, which is my annual state of the church address. It is divided into three sections: local church, that would be us, First Presbyterian Church of Strasburg, Donegal Presbytery, and PC(USA) as a denomination.

### **FPC**

1. **The strength of Mission** – We had over 25% increase in our mission budget for 2026 brought on by the desire for our youth to do mission in a profound way. Extra giving outside of our budget to mission was not insignificant. \$116,000 with budgeted expenditures. Food Bank 36% increase, and CIC 40 people becoming known entities that if this church were not here it would be felt by a whole swath of people.
2. **Youth and Young Families** – more babies and more baptisms than I can remember at this church. Youth group can get up to 50 kids a night, more around 30 a night, which was unheard of not that long ago for us
3. **Finances** are strong because of two things – giving is very strong, the most we have had since Covid. We have a very clear endowment to give us the opportunity to use it generously. Does having more money change the way you think about money, about yourself, or about those around you?
4. **Worship** – the numbers have decreased from an average of 173 to 169 marking our second consecutive year of decline. Highest Christmas Eve since Covid but lowest Easter. We have stabilized our worship leaders with Jonathan and Goggie. It feels good to worship here at FPC.
5. **Leadership** – We are good at sending but we need to do better at gathering. What prevents us from inviting people to come and worship with us? I have had the problem before of consistent growth and the finances not keeping up with the growth in people. I've never had the problem before of funding outpacing the attendance.

### **DONEGAL PRESBYTERY**

1. **Moderator Duties** – It has required a few more meetings each month including just recently becoming the chair of the Administrative Commission for Our Table. It required missing a Sunday to go to Louisville for the Moderator's conference. Next meeting is here in February, come and join.
2. **Awareness at the Racial Justice level** – continue to lead the Presbytery to a greater awareness of justice issues especially related to race. The Bias Within US tour to West Chester is an example.
3. **Walter from Inquirer to Candidate** – We hope to get him ordained within the year. FPC is becoming known as a church that produces pastors within our Presbytery. Gather and Send, that is crucial for any church to have both.
4. **Leadership** – Erin is transitional stated clerk and our Executive Presbyter. Stephanie Borger is Assistant Stated Clerk, Sarah Knier is Assistant Stated Clerk, Matt Randolph is also on staff.
5. **Finances** – healthy with a large endowment.

### **PRESBYTERIAN CHURCH (USA)**

1. **We no longer send** – the decision was made after General Assembly told the leadership to keep missionaries on the ground to no longer have them on the ground. The decision was made

based upon finances and based upon a false ideology of mission being a colonialist approach. Nothing has shaken my faith in the denomination more than this decision.

2. **Leadership is in disarray** – I think within my lifetime we may see the end of the denomination, or at least this congregation will be forced to make a decision as to what it wants to be. The unification commission did a good job of tearing things apart, but now that they own it, it doesn't seem like they know how to put it back together again. A disconnect between those in the pew and those in Louisville.

3. **Loss in membership** – We saw another 50,000 drop in membership in the denomination. It seems like no one is talking about this, and for me this is the most important indicator that we may be doing something wrong.

4. **Finances** – We will see a precipitous drop in giving over these next few years which will create more crises.

Your servant in Christ,  
Pastor Bob
